Forsyth County Public Lib
660 West Fifth Street
Winston-Salem, NC 27101

Foreword

On the following pages are memories we cherish. Though there is something that is not captured in these pages and can never be, the love for one another that we shared, the loyalty, the friendship, the happiness, and the sadness, these are the memories which are captured within our hearts as well as on these pages.

ANNA RUTH MOTTESHEARD
Faculty Adviser

PAT CREWS
Editor

Dedication

To the people who are indispensable in more than one way to us, to those who encourage us when things go wrong and try to give us what they think is best, whose never tiring love and understanding drive us toward our goal, a goal of accomplishing the best and of obtaining the most that we can while we are in school, to those people who help us with class projects and in raising money, to which they contribute unselfishly, whose innumerable sacrifices have made us happy, we, the Senior class, would like to show our appreciation and love, by dedicating our annual, the GLENNECHOES, to our parents.

CLASS HISTORY

The year was 1951. The month was September. The exact date is rather hazy, but who had time to remember dates while spell-bound with excitement and wonder at becoming high school freshmen at last! This was the origin of our senior class.

We gradually became familiar with all the new faces and began to find our way to classes that never seemed to stay in one place. And then we put on our serious expressions and studied hard, mixing in large amounts of gaiety which helped us greatly when the going seemed hard. And thus, we went through our Freshman year.

As sophomores we started the year with more spirit. Once again we worked with zest and the ones among us destined to be our leaders began to lead us to what was to become a very bright future.

Our Junior year, and what a busy year this turned out to be! The main event for us was the Junior-Senior Banquet. In the spring we worked very hard and turned the gymnasium into a beautiful spring garden, the scene of our banquet. Also in the spring we began practicing our part of the graduation exercises and on graduation night we were pleased to find that it was not all in vain as we kept our heads high and our feet in step.

The arrival of our class rings made us very proud, and indeed we were! Becoming seniors was now a reality.

Our Senior year came at last. And with it we began to plan for a much hoped for senior trip and our annual. Seeing the need for funds, we began immediately selling Christmas cards, candy, cakes, rummage, and doing many other projects in our spare time between studying, because we were beginning to realize the importance of learning.

Spring came once again and with it came the Junior-Senior Banquet which we enjoyed very much. And after this we gaily began our much anticipated trip to Washington. On the return we realized suddenly how near to the end of all our wonderful times together we were.

In no time at all the Baccalaureate Sermon was given and shortly after, on graduation night we received our diplomas, ending our happy moments together, but starting us on our way to bright futures full of various happy plans.

Who can express the feeling of joy, sorrow, or pride in our hearts as we, the Seniors of 1955, with memories never to be forgotten, end our school days at Glenn.

ANN WORLEY

The GLENN HOWLER

Volume V, No. 1

Robert B. Glenn High School, Kernersville, N. C.

October, 1955

Student Council

Pat Smith

The purpose of this organization is to encourage and secure better co-operation among students and between students and faculty, to create better citizenship among the students and to promote school activities.

The three major officers of the Student Organization are elected in the spring of the year by popular vote. A nominating committee consisting of a sponsor, two juniors, one sophomore, and one freshman will be appointed by the president to present a slate of candidates to the student body. Nominees are made from the floor. The entire

KEEP THIS ISSUE FOR FUTURE REFERENCE

This, the first edition of the Glenn High School newspaper of the 1954-1955 season, is being published for you, the students, as a reference and guide to school activities. KEEP THIS PAPER!!!

Included in this paper is a report of each organized club stating its officers, purposes, and plans for the year. There are reports from all standing committees of the student council listing their chairmen, members, purposes, and plans. This issue will tell those who are interested, how to join clubs, and what the clubs, classes, and committees are now doing.

To conserve valuable space, all officers are listed in this order: president, vice-president, secretary-treasurer. The first name listed in committee groups is the chairman.

—Pat Smith

Citizenship Sportsmanship

This year, serving on the citizenship-sportsmanship committee are: Linda Lou Smith, Terry Swalm, and Linda Gay Smith. Our sponsor is Miss Margaret Sheek.

Our purpose in Citizenship is to promote qualities of good citizenship and to stimulate interest in good citizenship. Each month we will elect a good citizen. In electing them we want to be sure that they have the qualities of a good citizen. A good citizen will:

1. assume responsibility;
2. take an active interest in and be well informed on all school activities;
3. attend school regularly;
4. co-operate with students and teachers;
5. have a good attitude in class and toward school in general;
6. make at least average grades in all subjects;
7. act courteously.

At the end of the year we will elect a good citizen of the year giving him some kind of memento.

Our purpose in sportsmanship is to promote good sportsmanship within the school. This committee will have a bulletin board on sportsmanship. Working with the cheerleaders, we will decorate the football goals and make welcome signs. —Linda Smith

Public Relations

Our purpose is to publicize the school and its calendar of events in order to build a wholesome attitude. We will make announcements each morning. All announcements that are to be made for the day must be placed in the box in Room 102 by 9:15 each morning.

Each one must be approved by the sponsor of the activity or group before it is made. Call meetings for the lunch period should be turned in by 9:15 also. All announcements that come in after 9:15 will be made at 2:55 each afternoon.

We also plan to keep a bulletin board on our school and students, and to publish pictures and important events in the newspaper.

This year our projects will be to train more people to use the speaker and to keep a notebook of our school activities.

Kay Krites
Olene Swain
Etta Mae Pope

Tommy Teague
Miss Mottesheard,
Sponsor

Student Council Vice-President

As vice-president of the Glenn High School Student Council this year my duties are to preside at the council meetings in case of the absence of the president and to perform all duties delegated to me by the president.

One of my duties is to help keep an orderly lunch line. We feel that by having members of the student council watch the line we can insure you faster service and, therefore, a longer time to enjoy your lunch.

Another of my duties is to keep the main bulletin board at the office decorated. We are planning bulletin boards that are both educational and entertaining. Miss Stone, the club presidents, and committee chairmen are helping me with these boards.

Working with the club presidents and committee chairmen is another of my responsibilities. I meet with these people and help them with their projects and help them be a service to the school. —Sue Hart

New Addition Nearly Completed

Our new addition is expected to be completed by Thanksgiving. We will have six new classrooms, a band room, a band storage room for instruments, a book storage room, a book store, and a ticket booth.

Other than this there is, of course, our long awaited auditorium. It will seat from nine hundred to one thousand people. On either side of the stage there

HOWLER STAFF

is chosen from the qualified candidates by the newspaper staff.

In the fall of each year all the Forsyth County student council members meet at one of the county school. Problems are discussed, new ideas and privileges are presented which can be tried by other schools.

The Glenn Student Council will meet each week the last half of first period, at 9:00 on Monday mornings in Room 104. Parliamentary procedure will be used at these meetings.

Assembly Committee

The members of the assembly committee for this year are Peggy Craver, Roma Anne Smith, and Anne Worley. Miss Woosley is our sponsor.

The purpose of the committee is to plan and promote better assembly programs for the school. Programs will include those given by teachers and students as an outgrowth of class study. Some will be given by clubs, out-of-school speakers, and groups.

—Peggy Craver

Traffic and Safety

So far this year there is not a chairman of our Traffic and Safety Committee. Within two weeks we hope to have a chairman and two other members chosen.

Our student council officers have been in charge of keeping the lunch line. Your co-operation has been a great help to us, as well as helping you to eat

in case of an air raid. We plan to show some movies on civil defense later in the year.

We hope that we will never need civil defense, but it is better to be ready in case—"If we are ready, the battle is half won."

Darwin Solomon
Chairman

Building and Grounds

The purpose of this building and grounds committee is to pro-

The president of our student council this year is Patsy Smith, pictured above, left. Patsy, a senior, has been an outstanding leader in many activities since she has been at Glenn. She is a very capable leader who will serve the student body well.

Editor of Glenn's newspaper, "The Howler," this year is Mary Ellen White, right. Mary Ellen is a senior who will see the newspaper through to the end of the year.
